United Way funding supports programs that benefit all of us as a community. Your donation supports initiatives like feeding the hungry, financial empowerment, out of school programs, volunteer initiatives, and programs for youth. We also convene community members to address critical issues such as food insecurity on college campuses, school attendance, and homelessness.

In addition, United Way of Pioneer Valley supports the MASS 2-1-1 information and referral hotline, and the CALL2TALK mental health, emotional support and suicide prevention line serving every city and town across Massachusetts. Just by dialing 2-1-1, callers can access free information 24 hours a day about critical health and social service programs including childcare, healthcare, housing and utility assistance, food pantries, natural disasters, and more.

When making your pledge, please remember that the work of the United Way means so much to many of our neighbors in need.

**Every donation counts!**

$1, $3 or $5 per pay period has an enormous impact on our local community.

On behalf of all those we serve at the United Way, thank you for considering a gift to your local Community United Way.
